Well it's a cold world

And I'm in the middle

Caught in the in-between

I don't belong here

So I'm writing to you

It's wrong here

Where I'm sending you some

Chorus:

Letters from earth, yeah

Well it's a new world

And now I'm a stranger

Stranger than you know

I don't belong here

And I'm writing to you

With blood on my hands

What if I send you madness

What if I send you pain

And letters from earth, ooh

All right

Come on it's another game

But you gotta play on

Cause they say it's just pretend  
Ask them why they say you'll never, never die  
Come on - the game is called the end  
Well it's a cold world  
And I'm in the middle  
Caught in the in-between  
I don't belong here  
So I'm writing to you  
Hey let me explain  
What if I send you confusion  
What is the time and the pain worth  
Oh no no  
I'm only sending -  
Letters from the earth  
Letters from earth, ...
