=====

People going nowhere, taken for a ride
Looking for the answers that they know inside
Searching for a reason, looking for a rhyme
Snow White's mirror said "partners in crime!"
Don't they ever have to worry?
Don't you ever wonder why?
It's a part of me that tells you
Oh, don't you ever, don't ever say die
Never, never, never say die again
Sunday's satisfaction, Monday's home and dry
Truth is on the doorstep, welcome in the lie
All dressed up in sorrow, got no place to go
Hold back, 'till it's ready, taking it slow
Don't they ever have to worry?
Don't you ever wonder why?
It's a part of me that tells you
Oh, don't you ever, don't ever say die
Never, never, never say die again
Don't you ever say die
Don't you ever say die

Never say die

Panic, silver lining, writing's on the wall

Children get together, you can save us all

Future's on the corner, throwing us a die

Slow down, turn around, everything's fine

There's no need to have a reason

There's no need to wonder why

It's a part of me that tells you

Oh, don't you ever, don't ever say die

Never, never, never say die again
