Yeah

Finished with my woman 'cause she couldn't help me
with my mind

People say I'm insane cause I'm down frowning all the
time

Fight just did no good (with/for) you because my
mind's all full of hate

Say my mind goes good somewhere with an angel god
I promise you.

Somebody help me occupy my brain.

Oh yeah

Hey

People say my mind's all full of things I don't know
where I go.

Ev'ry thing is happ'ng to me and my mind's all what I
know.

Oh yeah

Hey

Having someone with my woman cause she wouldn't
help me now

Ev'ry thing keeps going wrong because my mind's all
full of hate

Ev'ry thing is going bad because my fate is no where
here

Now want you to see me smile and then I know I know
one thing

OZZY: Thank you very much. Thank you
