"Seventh Star"

There's a vision in the sands

Rising from the ancient past

Crying let my spirit go

Lead my burning soul to rest

Hear the sound of distant ages

It's the call of the seventh start

There's no shelter from the heat

There's no mercy from this land

Hear a thousand chanting souls

Waiting judgement from God's hand

Hear the sound of distant ages

It's the call of the seventh start

Hear the sound of fallen angels

It's the call of the seventh start

The pyramids will fall

Turn to dust before the sun

And the star will rise again

Until destiny is done

Hear the sound of distant ages

It's the call of the seventh start

Hear the sound of fallen angels

It's the call of the seventh start
