what you get ain't what you see

things that don't come easily

feeling happy in my pain

icicles within my brain

(cocain)

something blowing in my head

winter's ices soon will spread

nature freeze my very soul

makes me happy makes me cold

my eyes are blind but i can see

the snowflakes glistin on the tree

the sun no longer sets me free

i feel the snow flakes freezing me

let the winter sun shine on

let me feel the frost of dawn

fill my dreams with flakes of snow

soon i'll feel the chilling glow

right!

don't you think i know what i'm doin

don't tell me that it's doin me wrong

you're the one that's really the loser

this is where i feel i belong  
crystal world with winter flowers  
turns my days to frozen hours  
lying snowblind in the sun  
will my ice age ever come
