"The Illusion Of Power"

What is it that turns you on to the illusion of power,
This thing that grabs you by the heart and makes you
want to tear things down.
There is no reason why I should need all this power, but
if you cross me now,
I'm gonna tear your whole world down.

The illusion of power, things I feel, seem so real,
The illusion of power.

I can't get the emotional thing straight in my head,
Everything I love dies too soon, or is already dead.
Don't stand too close I spit and breath fire,
Anything I've got now you cannot desire.

You want to be my friend I promise you nothing,
Nothing I can give you, nothing I can do for you,
I'm being chased by the sins of my past and it's killing
me now,
Killing me now.

The illusion of power, things I feel, seem so real,
The illusion of power.
The illusion of power, it's already set signed and
sealed,
The illusion of power.

I can tell you stories of my
Shaded past and I can
Drag you down into the
Depths of my soul.

The illusion of power, things I feel, seem so real,
The illusion of power.
The illusion of power, it's already set signed and
sealed,
The illusion of power.

Why don't you come closer, Promise a story I will tell,
yeah,
I'll save you from your dreams, yeah

I'll save you from your dreams
