Witches gather at black masses
Bodies burning in red ashes
On the hill the church in ruin
Is the scene of evil doin'

It's the place for all bad sinners
Watch them eating dead rat's inners
Ahh I guess it's all the same
Where ever you may go
Oh lord yeah

Carrying banners which denounce the lord
See me rocking in my grave
Satan annoints my head with dead rats blood
See then stick the stake through me, oh

Don't hold me back cause I just gotta go
Satans got a hold of my soul now
Look at my brain in sync with bloodened sea
Look in my eyes, I'm there, I know, yeah

On the scene a preist apears
Sinners falling at their knees
Satan sends out funeral pyres
Casts the preist into the fire

It's the place for all bad sinners
Watch them eating dead rat's inners
Ahh guess it's all the same
Where ever you may go
Oh lord yeah
