witches gather at black masses
bodies burning in red ashes
on the hill the church in ruins
is the scene of evil doings
it's the place for all black sinners
watch them eating dead rat's innerds
i guess its the same
wherever u may go
oh lord yea

carry banners which denounce the lord
see me rocking in my grave
see them anoint my head with dead rat's blood
see them stick this stake through me

lord hold me back _____ gotta go
they gotta hold my soul down
lord can my brain escape what blood im seeing
lord can my eyes bare it all
yea

on the scene a priest appears
sinners falling at his knees
satan sends out funeral pyer
casts the priest into the fire
it's the place for all bad sinners
watch them eating dead rat's innerds
i guess its the same
wherever u may go
oh lord yea
