Now the first day that I met ya  
I was looking in the sky  
When the sun turned all a blur  
and the thunderclouds rolled by  
The sea began to shiver  
and the wind began to moan  
It must've been a sign for me  
to leave you well alone  
I was born without you, baby  
but my feelings were a little bit too strong

you never said you love me  
and I don't believe you can  
'cause I saw you in a dream  
and you were with another man  
You looked so cool and casual  
and I tried to look the same  
But now I've got to know ya  
tell me who am I to blame?  
I was born without you, baby  
but my feelings were a little bit too strong

Now the whole wide world is movin'  
'cause there's iron in my heart  
I just can't keep from cryin'  
'cause you say we've got to part  
Sorrow grips my voice as I stand here all alone  
And watch you slowly take away  
a love I've never known  
I was born without you, baby  
but my feelings were a little bit too strong
