*[CL] Don't don't don't don't don't don't
Don't stop the music
Don't don't don't don't don't don't
Don't stop the music (Oh)
Don't don't don't don't don't don't
Don't stop the music
Don't don't don't don't don't don't
Don't don't don't don't

Everybody hands up high
Raise your hands over your head
Face and stare at each other
Rock, rock, rock, don't stop

[Minji] This is fun
The finest cuisine for you
Move here and there
Let me hear your voice

[Dara] (Fiore) In this music, we Fiore
(Fiore) We're dangerous like thorns on a red rose
(Fiore) Leave yourself to this rhythm
[CL] (Fiore) In this place, it's just music and you

[Bom] After this music comes to an end
I know that I can't see you again

So DJ, turn the music up with more excitement
In order to forget everything in this moment

*Repeat

Everybody hands up high
(Oh) Put them up together
We're ready to get crazy, everyone get together
Rock, rock, rock, keep running

[Minji] Let's become one, become one
So that everyone is all rowdy
Let's become one, become one
Until this club crashes completely

[Dara] (Fiore) In this music, we Fiore
(Fiore) We're dangerous like thorns on a red rose
(Fiore) Match the beat, match all the steps
[Minji] (Fiore) In this place, it's just music and you

[Bom] After this music comes to an end
I know that I can't see you again
So DJ, turn the music up with more excitement
In order to forget everything in this moment

*Repeat

[Minji] The morning is coming now
But this music won't stop
[CL] The time when I can rest for even a moment
Is right now, this music makes me high

[Bom] After this music comes to an end
I know that I can't see you again
So DJ, turn the music up with more excitement
In order to forget everything in this moment
