[Bom]

You know I love you, love you  
You know I love you babe  
You know I need you, need you  
I need you everyday  
You know I love you, love you  
You know I love you babe  
You know I need you, need you  
I need you everyday

[Dara]

When you feel like you're falling  
I will run to you baby  
I will run

[CL]

I like the way you love me  
How it makes me feel  
You got me on a high  
Up in the sky, for real  
Can't nobody love me  
Like the way you do  
You're the only one  
I'm so into you

Baby you're the one  
I want to end up with  
Grow old together  
Go on every dips  
Let's take a fly  
Go for a ride  
Yoh, baby you and I

Let's go multiply

[Bom]

You know I love you, love you  
You know I love you babe  
You know I need you, need you  
I need you everyday  
You know I love you, love you  
You know I love you babe  
You know I need you, need you  
I need you everyday

[Dara]

When you feel like you're falling  
I will run to you baby
