The Moon is lighting up
the sky as I lie awake
This room gets hot in mid July,
I'll never fall asleep this way

Until I find Love I'll
never find my way out of this
Until I find Love I'll
never find a way
Until I find Love I'll
never find my way out of this
Until I find Love I'll
never find a way

Years they tend to fade away
though it feels they drag along I saw you the other day
but girls it's been too long

Until I find Love I'll
never find my way out of this
Until I find Love I'll

never find a way
Until I find Love I'll
never find my way out of this
Until I find Love I'll
never find a way

The nights get so
long in the summer
I lie on the shore again
I'm hoping that
you'll lay beside
me before the season ends

Until I find Love I'll
never find my way out of this
Until I find Love I'll
never find a way
Until I find Love I'll
never find my way out of this

Until I fin Love I'll
never find a way
