The Green Berets -- Sgt. Barry Sadler

-----

Fighting soldiers from the sky, fearless men who jump  
and die

Men who mean just what they say, the brave men of the  
Green Berets

Silver wings upon their chest, these are men, America's  
best

One hundred men, will test today but only three win the  
Green Beret

Trained to live off nature's land, trained in combat  
hand to hand

Men who fight by night and day, charistic(?) from the  
Green Beret

Silver wings upon their chest, these are men, America's  
best

One hundred men, will test today but only three win the  
Green Beret

Back at home a young wife waits, her Green Beret has  
met his fate

He has died for those oppressed, leaving her this last  
request

Put silver wings on my son's chest, make him one of  
America's best

He'll be a man they'll test one day, have him win the  
Green Beret
