There is nothing I can do
Nothing I can say
That folks don't criticize me
But I'm gonna do
Just what I want to anyway
Don't care if they all despise me

If I go to church on Sunday
And I honkytonk all day Monday
Ain't nobody's business if I do

And if I should get a feeling
I wanna dance upon the ceiling
Ain't nobody's business, oh it ain't nobody's business if
I do

If I stay out all night
Spend all my money, well that's all right
It ain't nobody's business if I do

You try to tell me I got no right to sing the blues
What gives you the right to tell me what I should do?
It ain't nobody's, ain't nobody's business if I do

Well it ain't nobody's business
It ain't no it ain't nobody's business
You know it ain't nobody's business
ain't nobody's business what I do
Whoa what I do
You know it ain't nobody's business
ain't nobody's business if I do.
