

Watashi-Wa "Free Ride"

Visit "[Free Ride](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Pay no attention
To the blood on his hands
He just had to break a few backs
To get where he's at

Greed, take what you need
While you can

You got a free ride
No one's got to know
You got a long time
No one's got to know
So take what you can now
No one's got to know

Pay no attention
To the stains on his shirt
The profit margin
Is well worth the hurt

Greed, take while they bleed
While you can

You got a free ride
No one's got to know
You got a long time
No one's got to know
So take what you can now
No one's got to

'Cause you got a free ride, free ride
You got to take what you can now
No one's got to know
