Joanna would you understand  
If black were really white  
And baby could I have this dance?  
Just say that, that's alright

I'm a little scared, understand  
I'll admit it, I'll admit it  
I better dance right, try not to lose it  
Alright, try not to lose it again

Try not to lose it again  
I better dance right  
Try not to lose it  
Alright, try not to lose it again

And if I lose it again  
And if I can't dance  
Joanna would you understand?

Joanna could you let it be  
Would you be mine tonight?  
And baby, let the people see  
Just say that, that's alright

I'm a little scared, understand  
I'll admit it, I'll admit it  
I better dance right, try not to lose it  
Alright, try not to lose it again

Try not to lose it again  
I better dance right, try not to lose it  
Alright, try not to lose it again  
And if I lose it again

And if I can't dance  
Joanna would you understand?  
All children learn when the sun goes down  
All my friends learn when the sun goes down

Well, I'm a little scared, understand  
Well, I'm a little scared, understand  
Well, I'm a little scared, understand, I'll admit it, I'll

admit it

Well, I'm a little scared, understand

Well, I'm a little scared, understand

Well, I'm a little scared, understand, I'll admit it, I'll

admit it
