Today just laughed at me,  
I'm sustained by what I know,  
I can't connect, can't connect, boy,  
I'm sick of talk because they'll talk of,  
talk about what he said  
And what she said when he was gone,  
and yeah, they're friends,  
it's like a sport though, stabbing backs,  
stab me more friend.

And free, can someone set me free?  
Because someone said it was easy, yeah they said it  
was easy,  
And me, I want to feel alive,  
I want to know what it's like,  
because they said it was easy, easy.

Today just laughed at me,  
I'm sustained by what I know,  
I can't connect, can't connect, boy,  
I'm sick of talk because they'll talk of,  
Talk about what he said
