Remember that day  
I sat with you along the beachfront  
Talking new changes  
Guys and girls about the past time

Everybody seemed to laugh  
Soon enough will show them  
How we made it  
Now its gone its just the past  
If something happened id be right there for you

Your Ok  
Where Ok  
Its Ok  
With No Reason

This might be my only chance with you  
Ill take it while its there  
Im so in love

Looking at you when  
You had the obligations to fill  
Drinking beer and wine and  
Spending special moments with you

Suddenly you began to smile  
You friends all laugh along  
Like we just told a joke  
It was all for the best  
Not regrets but now special memories

Your Ok  
Where Ok  
Its Ok  
With No Reason

This might be my only chance with you  
Ill take it while its there  
Im so in love

Looking back at then to see what happened

Feelings inside me like I always let you down  
Uptight and selfish Please take me back
