Not gunna don't wanna

Never gunna don't wanna

Wanna end up alone

Not gunna never gunna

Don't don't wanna

wanna end up alone

I need to sit back

And kick out

It's about the way I'm makin you feel

Your tryin' to show me that your happy

Really happy

But I can see that these feelings arn't for real

The un-hapiness

Are maybe causing you

Is deffinetly unintentional (Deffinetly unintentional)

So don't hesitate

Don't be afraid

Cuz tell me cuz my actions are not crutional

But I'll tell you something right now

Not gunna don't wanna

Never gunna don't wanna

Wanna end up alone

Not gunna never gunna

Don't don't wanna

wanna end up alone

I needed to be honest

A really honest

And tell me what's on your mind

(You can tell me what's on your mind)

Whatever the problem may be

A tell me

Oh cuz the body never lies

Am I too hard (Too hard)

Too soft (Too soft)

Or am I really just selfish to the knee

So don't hesitate

I must phycibate

Let you feelings all be known

But I'll tell you something right now

Not gunna don't wanna

Never gunna don't wanna

Wanna end up alone

Not gunna never gunna

Don't don't wanna

wanna end up alone

Oh no

Oh muma drubby oh

Not gunna don't wanna

Not gunna don't wanna don't know

Not gunna don't wanna

Never gunna don't wanna don't know

Not gunna don't wanna

Not gunna don't wanna don't know

No No oh

Oh no oh
