Bring it on, bring it bring it on

Bring it on, bring it bring it on

Bring it on, bring it bring it on

Bring it on, bring it bring it on now

Bring it on, bring it bring it on

Bring it on, bring it bring it on

Bring it on, bring it bring it on

Bring it on, bring it bring it on now

Never stop givin good love

Cuz that's what I call you for

Never stop baby give it up

Cuz I know where it came from

you got more

I like playing games

And if it's all the same

You can bring it on with the ruff stuff

Give me your love

I don't wanna be tammed

I need a man to be a real man

In order of what I got in store

Always finish what you start baby

Your always having me beg for more

You know I wanna be a diggy down boy

But I don't get around

Jimmy has to ride in your pocket

Or lock him in your wallet

It's just a bootie Call

Bring it on, bring it bring it on (It's bootie call)

Bring it on, bring it bring it on (It's just a bootie call)

Bring it on, bring it bring it on (It's a bootie call)

Bring it on, bring it bring it on now

Bring it on, bring it bring it on (It's bootie call)

Bring it on, bring it bring it on (It's just a bootie call)

Bring it on, bring it bring it on (It's a bootie call)

Bring it on, bring it bring it on now

Gaining you what is baby

Things are always good to have

You never let me down

I'm always happy

When you made me laugh

But Don't try to find

This Heart of mine

Emotions will come into my head

So don't be mislead

My heart doesn't need to be fed

Only tryin' to be smart baby

Don't need the rollercoaster ride

I've been and seen it all yeah yeah

Don't want you messing with my mind

So don't be a fool

Keep this as your number one rule

Good lovins not always from the heart

You gotta be smart

Stay just the way you are (a bootie call)

It's just a bootie call (It's a bootie call)

It's just a bootie call

Bring it on, bring it bring it on (It's bootie call)

Bring it on, bring it bring it on (It's just a bootie call)

Bring it on, bring it bring it on (It's a bootie call)

It's just a bootie call

Do you really love me baby

It's a bootie call

It's a bootie call

It's a bootie

It's a bootie call

It's a bootie call

It's a bootie call

It's a bootie

It's a bootie call

Please hang up

And try your call again

Please hang up now
