Lift me up

Take me high

Take me higher than i've bin before

I need time

Time to find

The road to my destiny

Heaven help me

On account to hapiness is where I wanna be

Stealing my mind

I'm running outa time

So heaven lift me up

Scared to laugh

Scared to cry

For fear of

My own contridiction

Maybe I shaould try

And cover morrow reasons

For god sakes

Heaven lift me up

Wasn't supposed to be this way

Got to much of mine own to say

Never thought that I'd be standing

At the gates of heaven

At the gates of heaven

Heaven lift me up

COme on and lift me

lift me up (ahhhh)

Take me high

Above the clouds where the birds fly

I'm feelin free

Let heaven do the work for me

Looking over

This crazy city where we'll live in

we've seen it done it

It's just the way I've bin

Wasn't supposed to be this way

Got to much of mine own to say

Never thought that I'd be standing

At the gates of heaven

At the gates of heaven

Heaven lift me up

COme on and lift me

lift me up (ahhhh)

Take it move it feel like it just

hopin you find what your lookin for

Baby (baby)

What you lookin for

Take it move it feel like it just

hopin you find what your lookin for

Baby (baby)

What you lookin for

I won't fail (I won't fail)

I won't break (I won't break)

No way (No way)

At the gates of Heaven

(Never thought that I'd be standing)

At the gates of Heaven

(At the gates of heaven)

At the gates of heaven

At the gates of Heaven

(At the gates of heaven)

At the gates of Heaven

(Never thought that I'd be standing)

At the gates of Heaven

(Heaven lift me up)

Take it move it feel like it just

Hopin' you'll find what your lookin for

Baby (Baby)

What you lookin for

(Repeat till fade)
