A few questions that I need to know  
How you could ever hurt me so  
I need to know what i've done wrong  
And how long it's been going on  
Was it that I never paid enough attention  
Or did I not give enough affection  
Not only will your answers keep me sane  
But i'll know never to make the same mistake again  
You can tell me to my face  
Or even on the phone  
You can write it in a letter  
Either way i've have to know  
Did I never treat you right  
Did I always start the fight  
Either way i'm going out of my mind  
All the answers to my questions I have to find  
My head's spinnin'  
Boy i'm in a daze  
I feel isolated  
Don't wanna communicate  
I take a shower

I will scour

I will roam

To find peace of mind

The happy mind

I once owned yeah

Flexing vocabulary runs right through me

The alphabet runs right from a to zee

Conversations, hesitations in my mind

You got my conscience

Asking questions that I can't find

I'm not crazy

I'm sure I aint done nothing wrong, no

I'm just waiting cos I heard that this feeling won't last  
that long

chorus

Never ever have I ever felt so low

When you gonna take me out of this black hole

Never ever have I ever felt so sad

The way i'm feeling yeah you got me feeling really

Never ever have I had to find

I've had to dig away to find my own piece of mind

I've never ever had my conscience to fight

The way i'm feeling yeah it just don't feel right

I'll keep searching

Deep within my soul

For all the answers

Don't wanna hurt no more  
I need peace gotta feel at ease  
Need to be  
Free from pain  
Go insne  
My heart aches yeah  
Sometimes vocabulary runs through my head  
The alphabet runs right from a to zed  
Conversations, hesitations in my mind  
You got my conscience asking questions that i can't find  
I'm not crazy  
I'm sure I aint done nothing wrong  
Now i'm just awaiting cos I heard that this feeling won't  
last that long  
chorus x3  
You can tell me to my face  
You can tell me on the phone  
Ooh you can write it in a letter babe  
Cos I really need to know  
You can write it in a letter babe  
You can write in in a letter babe  
(fade
