Sometimes I feel like I don't have a problem

Sometimes I feel like my only friend

Is the city I live in

The city of city's

Slowly as I am

Together we cry we cry we cry

I don't ever wanna feel

(like I did that day)

Take me to the place I love

(Take me all the way)

I don't ever wanna feel

(like I did that day)

Take me to the place I love

(Take me all the way)

I drive on the straight

Cuz he's my companion

I walk through his field

cuz he knows who I am

He see's my good days

And he kisses me in day

I'm gooiiiiinnnn

Now that is love

I don't ever wanna feel

(like I did that day)

Take me to the place I love

(Take me all the way)

I don't ever wanna feel

(like I did that day)

Take me to the place I love

(Take me all the way)

(One time two time three time four time)

It's hard to believe

There's nobody out there

It's hard to believe

That I'm all alone

At least I have his love

The city he loves me

lonely as I am

Together we cry

I don't ever wanna feel

(like I did that day)

Take me to the place I love

(Take me all the way)

I don't ever wanna feel

(like I did that day)

Take me to the place I love

(Take me all the way)

I don't ever wanna feel

(like I did that day)

Take me to the place I love

(Take me all the way)

I don't ever wanna feel

(like I did that day)

Take me to the place I love

(Take me all the way)

All the way

All the way

All the way

All the way

All the way

All the way
