May come quick, in the future June is drowning.
July will be set to fire and by August the rain will flood.
September into October and by then we'll all be dead.
(May come quick)
September into October and by then we'll all be dead.

If anyone in the world can hear me
Tell me I'm not alone
Or am I alone
I can't hear you calling.
All I really want is that 6am alarm
Reminding me I'm coming home
I'm coming home, I'm coming home

May come quick, in the future June is drowning.
July will be set to fire and in August the rain with flood.
September into October and by then we'll all be dead.
(May come quick)
September into October and by then we'll all be dead.

(May come Quick)

If anyone in the world can hear me
Tell me I'm not alone
Or am I alone
I can't hear you calling.
All I really want is that 6am alarm
Reminding me I'm coming home
I'm coming home, I'm coming home

For the longest time I've watched this world
Inhaling lust, exhaling sin.

Tell me I'm not alone.

If anyone in the world can hear me
Tell me I'm not alone
Or am I alone
I can't hear you calling.
All I really want is that 6am alarm
Reminding me I'm coming home

I'm coming home, I'm coming home

(May come Quick)
