Throw me in the ring, toss me to the flames
No one but my King walks me out unscathed
Feed me to the lions, throw away the key
How will they deny who delivers me?
How could I love another?

My knees bow only to One Name
My lips have One King to proclaim
I will lift none other high
This is my one heart's cry
No compromise, no compromise.

Let them keep their gold, I won't be seduced
Can't be bought or sold, I am rich in You
How could I serve another?

My knees bow only to One Name
My lips have One King to proclaim
I will lift none other high
This is my one heart's cry
No compromise, no compromise.

Kingdoms crumble, rulers fall
My God, You will out rule them all
Kingdoms crumble, rulers fall
My God, You will out rule them all

One King. One cry.
With one voice, no compromise.
One King. One cry.
With one voice, no compromise.
No compromise, no compromise.
No, no, no compromise.
