Fear as I lay
War down to that gun in my face
Father, watch as I bleed
You're in my blood
Now keep on running through me

Way beyond the sun
Way beyond the sea
Way beyond the shadows
That's where I wanna be

Where am I gonna go if I run away?
Where am I gonna sleep?
Where am I gonna lay?
Where am I gonna head tonight?
Where am I gonna head tonight?
If I'm a runaway
(x2)

Fear where she lays
War down when I'm not in her face
Lover, take me back
Unless I know for sure
You know I don't relax

Way beyond the sun
Way beyond the sea
Way beyond the shadows
That's where I wanna be

Where am I gonna go if I run away?
Where am I gonna sleep?
Where am I gonna lay?
Where am I gonna head tonight?
Where am I gonna head tonight?
If I'm a runaway

(x6)
