How's This? - Revelstoke

There once was a feeling that all was wrong.

There once was a feeling that all was wrong.

A shattered young fighter

With hands golden tired, take another round.

Resigned to dealing that all is wrong.

If it's a love quest then I want to stay around

If it's a slug fest then I'm too bad to be around here.

There once was a feeling that all was wrong.

There once was a feeling that all was wrong.

Fffffights have gone down by the side of the road,

then candy's done picked me up out of the cold.

Resigned to dealing that all is wrong.

Yes I try guess that I want to be around for

Inside I said I want to stay fallen down side

Here we were

Here we were

Here we want to be

What do you want me to do
