American Woman

Guess Who

American woman, stay away from me

American woman, mama let me be

Don't come here hanging around my door

I don't want to see your face no more

I got more important things to do

Than spend my time growin' old with you

Now woman, I said stay away

American woman, listen what I say

American woman, get away from me

American woman, mama let me be

Don't come here knocking around my door

Don't want to see your shadow no more

Colored lights can hypnotize

Sparkle someone else's eyes

Now woman, I said get away

American woman, listen what I say

American woman, I said get way

American woman, listen what I say

Don't come here hanging around my door

Don't want to see your face no more
I don't need your war machines
I don't need your ghetto scenes
Colored lights can hypnotize
Sparkle someone else's eyes
Now woman, get away from me
American woman, mama let me be
Go, gotta get away, gotta get away, now go go go
I'm gonna leave you, woman
Gotta leave you, woman
Bye bye, bye bye
Bye bye, bye bye
You're no good for me
I'm no good for you
Gonna look at you right in the eye
Tell you what I'm gonna do
You know I'm gonna leave
You know I'm gonna go
You know I'm gonna leave
You know I'm gonna go, woman
I'm gonna leave you, woman
Goodbye, American woman
