Smelled you again today
The traffic breeze, it blows us slowly
Will I lay inside a hundred maidens?
Will I smell you again today?

Hey there, God
Hey there, God
Hey there, God
Hey there, God

It happened to me today
Strychnine water fought to drown me
The lonely early morning canteen strolling
The fire on my inside fought to drown me

Hey there, God
Hey there, God
Hey there, God
Hey there, God

And I'm a little problem through
And I'm a little spent too
You'll wanna scream too

Was I born afire or set on fire?
The question newly sought was found to me

Hey there, God
Hey there, God
Hey there, God
Hey there, God

And I'm a little problem through
And I'm a little spent too
You'll wanna scream too

Was I born afire?
Or was I set on fire?

It happened to me today
Strychnine water fought to drown me
Will I lay inside a hundred maidens?

Will I smell you again today?

Hey there, God

Hey there, God

Hey there, God

Hey there, God

And I'm a little problem through

And I'm a little spent too

You'll wanna scream too
