Down Under  
by Men at Work

Traveling in a fried-out combie  
On a hippie trail, head full of zombie  
I met a strange lady, she made me nervous  
She took me in and gave me breakfast  
And she said,

Do you come from a land down under?  
Where women glow and men plunder?  
Can't you hear, can't you hear the thunder?  
You better run, you better take cover.

Buying bread from a man in Brussels  
He was six foot four and full of muscles  
I said, Do you speak-a my language?  
He just smiled and gave me a vegemite sandwich  
And he said,

I come from a land down under  
Where beer does flow and men chunder  
Can't you hear, can't you hear the thunder?  
You better run, you better take cover.

Lying in a den in Bombay  
With a slack jaw, and not much to say  
I said to the man, Are you trying to tempt me  
Because I come from the land of plenty?  
And he said,

Oh! Do you come from a land down under? (oh yeah  
yeah)  
Where women glow and men plunder?  
Can't you hear, can't you hear the thunder?  
You better run, you better take cover
