Earn Enough for Us

by XTC

I've been praying all the week through

At home, at work and on the bus

I've been praying I can keep you

And to earn enough for us

I can take humiliation

And hurtful comments from the boss

I'm just praying by the weekend

I can earn enough for us

Found a house that won't repair itself

With it's windows cracking

And a roof held together with holes

Just because we're at the bottom of the ladder

We shouldn't be sadder

Than others like us

Who have goals for the betterment of life

Glad that you want to be my wife, but honest

I've been praying all the week through

At home at work and on the bus

I've been praying I can keep you

And to earn enough for us  
So you're saying that we're going to be three  
Now, a father's what I'll be  
Don't get me wrong, I'm so proud  
But the belt's already tight  
I'll get another job at night, but honest  
I can take humiliation  
And hurtful comments from the boss  
I'm just praying by the weekend  
I can earn enough for us  
Just because we're at the bottom of the ladder  
We shouldn't be sadder  
Than others like us  
Who have goals for the betterment of life  
Glad that you want to be my wife, but honest  
I can take humiliation  
And hurtful comments from the Boss  
I'm just praying by the weekend  
I can earn enough for us  
I can earn enough for us
