Dreamt I turned my head around last night
when I got up, saw you sleeping
yeah, you were shaking
What am I to do
I've lost my father now
Will I be alright
yeah, will I make it

You're still in my life today
You're still in my thoughts, okay
You're still in my life today
You're still in my life

Who on God's great earth
can take a life of strength and fire
and just start weakening
From the outside in
What I'm thinking now
I'm taking all the blame for
It's a bit relieving
you leaving

You're still in my life today
You're still in my thoughts, okay
You're still in my life today
You're still in my life today

I'm sad he's gone
Sad he's gone
Sad he's gone
oh

How can I survive without my friend of mine
He was not perfect
Yet somehow perfect
What am I to do I've lost that part of me
Will I be alright
yeah, will I make it

You're still in my life today
You're still in my thoughts, okay

You're still in my life today
You're still in my life today

I'm sad he's gone
Sad he's gone
Sad he's gone
oh

Nothing's ever as bad as it seems
to be
and I know
I've been taken by my wicked dreams
oh

oh
Sad he's gone
Sad he's gone
Sad he's gone
oh
