Sleepy drivers rest in pieces
Sleepy drivers hang their heads
and they hit the shoulder clutching Jesus
Pray to your god, won't you

Always wished I had the vision
I'd see it through those twisting hills
and I'd thread the needle with precision
Pray to your god, won't you

I'm blind
I'm blind
I'm blind
I'm blind

What's the deal with you
Take the wheel, won't you
'cause I'm blind
I'm blind
Watch the deer, won't you
Take the wheel, won't you
'cause I'm blind
I'm blind

Watch the deer, if you
Take the wheel, won't you
'cause I'm blind
I'm blind
Watch the deer, won't you
Take the wheel, won't you
'cause I'm blind
I'm blind

Sleepy drivers rest in pieces
Sleepy drivers hang their heads
and hit the shoulder, dash for Jesus
Pray to your god, won't you

I'm blind
I'm blind
I'm blind

I'm blind
I'm blind
I'm blind
I'm blind
I'm blind
I'm blind
I'm blind
I'm blind
I'm blind
I'm blind
