Don?t you, don?t you?
Don't you too?

Hey man, what?s the scam, don?t you ever
understand?
Don?t you, don?t you, don?t you understand?
Don?t you understand?

I'm thinking about thinking, I'm thinking about nothing
?Cause nothing?s about, about all we have
I'm screaming ?round screaming, screaming ?round
the house
I got to get my share before all the good times are had

Hey John, what?s going on, we ain?t talkin' for so long
Nothing?s happening man, just passing around the
bong
Hey Sam, what?s the plan, I?m just chillin' in the sand
Everybody?s chillin', hope I make it through the night

(Just another lonely night)
All is silent, all is quiet
(I just wanted to make you right)
All is silent, all is quiet
(I just can?t keep playing pretend)
All is silent, all is quiet, oh

I'm thinking about thinking, I'm thinking about lovin' her
Lovin' her for just one night
I'm screaming and screaming, I'm screaming in the
bedroom
Screaming from, from a sexual fright

Hey you, how do you do, can I score a ride with you?
Not a chance baby, not if what I heard is true
Hey Trish, who's the bitch, she shouldn't talk to me like
this
Don't worry about it, baby, and I'll fix it with a kiss

(Just another lonely night)
All is silent, all is quiet
(I just wanted to make you right)

All is silent, all is quiet
(I just can?t keep playing pretend)
All is silent, all is quiet

Climbing up the ladder
Climbing for the sun
Climbing up the ladder
Climbing for the sun

I'm thinking about thinking, I'm thinking about thinking
About thinking about Tommy, why'd you go and do that
thing
I'm thinking about thinking, I'm thinking about Tommy
Why'd you go and why'd you go and do that thing
Why'd you go and do that thing

Why'd you go and do that, why'd you go and do that
Said, "I don't know", said, "I don't know, I don't"
