Walking in your footsteps  
By The Police

Fifty millions years ago  
You walked upon the planet so,  
Lord of all that you could see  
Just a little bit like me

Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps

Hey Mr. dinosaur you really couldn't ask for more  
You were God's favourite creature, but you didn't have  
a future.

Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps

Hey mighty brontosaurus don't you have a message  
for us  
You thought your rule would always last  
There were no lessons in your past.  
You were built three stories high  
They say you would not hurt a fly  
If we explode the atom bomb would they say that we  
were dumb.

Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps  
Walking in your footsteps

Fifty millions years ago  
They walked upon the planet so  
They live in a museum  
It's the only place you'll see 'em.

They say the meek shall inherit the earth  
Walking in your footsteps  
Walking in your footsteps
