Would you believe  
Lord of mercy  
would you be... saa... Lord-Lord

I wanna love her now  
And i wanna fill that now...  
All of those kisses and sweet embraces

Here am I, lost and forgotten  
For this cruel-cruel time when I'm first time in love  
Now that is why I say Lord of mercy  
And i hope now that you here me  
Oh yeah...

- what are you doing man?  
- I'm looking at her fotos, what should I do with them  
- drop them into the fire  
- oh yeah, I gonna burn 'em now  
Cause I have to forget you now  
As all, as all those kisses and sweet embrases

Here am I, lost and forgotten  
For this cruel-cruel time when I'm first time in love  
Now that is why i say Lord of mercy  
And i hope now that you here me

Oh bring her back to me!
