Big lover
when I feel your love flow through me
Big lover
when I hear you whisper to me
Big lover
when I feel you

You were like every love I've known
spun into one - my mind is blown
You were like all my burnt down dreams redeemed
you know what I mean

Big lover
when I feel your love flow through
Big lover
when I hear your heart speak truly
Big lover!

You were a mystery revealed
a treasure trove too long concealed
You were like all my torn down dreams redeemed
you know what I mean

Big lover
when I feel your love
Big lover
when I feel your love
Big lover
when I feel your love flow through me
Big lover
when I hear you whisper to me
Big lover!

You were like earth and fire to me
you were J-O-Y M-A-G-I-C
You were like all my ripped down dreams redeemed
you know what I mean

Big lover
when I feel your love
Big lover

when I feel your love
Big lover
when I feel your love

I'm alive!
yes, I'm alive!
I'm truly alive
alive!
