(Bob Dylan)

Close your eyes
shut the door
You don't have to worry anymore
I'll be your baby tonight

Dim the lights
roll down the shades
You don't have to be afraid
I'll be your baby tonight

Oh that mocking bird is gonna sail away, and we're
gonna forget it
the big bad moon is gonna shine like a spoon, we're
gonna let it
you won't regret it
Kick your shoes off, do not fear
bring your bottle over here
I'll be your baby tonight

Oh that mocking bird is gonna sail away, and we're
gonna forget it
the big bad moon is gonna shine like a spoon, we're
gonna let it
you won't regret it
Kick your shoes off, do not fear
bring your bottle over here
Because I'll be your baby tonight
