I'm not your lover
I'm not your man
I'm something you'll never understand
'cause I
I will die for you
you

Well God made you
and God made me
He made us all equally

How can you just leave me standing
alone in a world that's cold
Maybe I'm just too demanding
maybe you're just like my father -- too bold
Maybe you're just like my mother
she's never satisfied
How we look to each other
This is what it sounds like
When dust cries
when dust cries
