This is my seaweed shovelling song  
I've been shovelling all day long  
I've got got my seaweed shovel in hand  
because I'm a seaweed shovelling man

Green weed, red weed, still alive and dead weed  
lying in a pile on the shore  
Brown weed, pink weed, smelly kind of stink weed  
who on earth could ask for more!

This is my seaweed shovelling song  
I've been shovelling all day long  
I've got got my seaweed shovel in hand  
because I'm a seaweed shovelling man

Dry weed, wet weed, ain't-been-troubled-yet weed  
glinting in the morning sun  
Thin weed, thick weed, slimy kind of slick weed  
every bucket weighs a ton!

This is my seaweed shovelling song  
I've been shovelling all day long  
I've got got my seaweed shovel in hand  
because I'm a seaweed shovelling  
Seaweed shovelling  
Seaweed shovelling  
Seaweed shovelling man!
