Blood of the world , Mother of mine
Gonna see you rise higher in time
Blood of the world , Mother of mine
Gonna see you rise higher in time
Blood of the world , Mother of mine
Gonna see you rise higher in time
Blood of the world , mother of mine
Open your eyes and let 'em shine !

"Everybody's born to do a certain thing
And if you're dead jammy you find it.
And if you're good at it just keep doing it
Until you're fed up then do something else.
You're here to make babies and look after the place.
You know ?" (Billy Connolly)
