Well it's too hot for the baker man  
too hot for the laundry man  
Too hot for the fireman  
but it's alright  
It ain't too hot for Clean Head  
he's gonna blow all night

Well it's too hot for the bogey man  
too hot for the Gardai man  
Too hot for the candy man  
but it's alright  
It ain't too hot for Clean Head  
he's gonna blow all night

Well it's too hot for Spiderman  
too hot for Superman  
Too hot for Joker Man  
but it's alright, yes it's alright  
It ain't too hot for Clean Head  
he's gonna blow all night

Well it's too hot for the Galway man  
too hot for the Mayo man  
Too hot for the Kerry man  
but it's alright, yes it's alright  
It ain't too hot for Clean Head  
he's gonna blow all night

Well it's too hot for the fiddle man  
too hot for the drummer man  
Too hot for the guitar man  
but it's alright, yes it's alright  
It ain't too hot for Clean Head  
he's gonna blow all night
