### "Whatever Thing"

Visit "[Whatever Thing](#)" on MotoLyrics.com

Whatever thing that I have carried in this place  
That will keep me from you  
I will lay it at your feet  
Whatever burden I have carried for so long  
That will keep me from seeing you  
I will lay it down right now

All of the things that are cluttering my mind  
I will push them far from here  
And listen for your voice  
All of the pain that I am carrying inside  
I will hand it to you  
You will take it, set me free, I will fly

I need to hear you speak to me  
And I want to feel you in this place  
You long to take me in your arms of love  
So take me in your arms of love
