Do do do do do etc.

[Don]

Whenever God shined a light on me
He opened up my eyes so I could see
When I look up in the darkest night
Then I know that everything' gonna be alright

[Laurie]

In deep confusion and great despair
When I reach out for Him, He is there
When I'm lonely as I can be
Then I know that God shines His light on me

Chorus:

Reach out for help and He'll be there
With Him your troubles you can share
And if you live the life of love
You'll get the blessing from above

[Don]

Well He heals the sick and He heals the lame
So you can do it too in Jesus name

[Laurie]

He'll lift you up and turn you around
And he'll put your feet back (feet back) on higher
ground

Do do do do do doo etc.

[Chorus]

Do do do do do doo etc.
