Made you shiver, quiver  
Tell your friends put there order in I deliver Ghost that

He hit things that make you come quicker  
Like, hit it from the back and feel the long thicker  
White chicks or sisters, latin Manhattan  
Bitches I stop tappin raggin those ridiculous  
Can't resist this nasty black licorice

And chant murder and keep the walls damp  
From Jamaica to Staten Island, y'all put your hands in

When y'all hear this shit y'all start whylin  
Pop one for Kingston (Blaow!)  
In every hood that be holdin it down in the struggle  
Tony starts slugin
