I'm afraid I will never change,

It's okay I'm not ashamed

I can say that my bed is made

You can bend me, shape me any way you can

Bend me, shape me any way you want me.

I maintain, I am not in pain

How I try, not to place the blame

I came late to an early game

You can bend me, shape me any way (x3)

You can bend me, shape me any way you want me

When I was five, I took a dive

When I was ten, I walked again

When I was fifteen, I kept my motor clean

When I was twenty, I got plenty

When I was twenty-five

When I was twenty-five
