I'm just trying to live this life of mine

The more I look, the more I'm blind

And all I ask is piece of mind

And all I ask is piece of you

Well I lost my way today

Back home from work

The snow fell like dust

I felt like dirt

Happens everytime I start to search

For the long lost piece of you

Piece of you, piece of you

It seems the last time I was sure

Of anything I sold my heart

I wore your ring but now the queen has lost her king

All I want is a piece of you

Piece of you, piece of you, piece of you
