I've got blood on my hands from this little timid life

It's just like a man, to trust me with all his might

I've got mud on my feet, when I kicked you back 3 wks.

If I promised to keep my mouth shut, can I sit her while  
you speak

Finally mine, your finally all mine

Finally mine, your finally all mine

Where did it get me, all mine

What did it teach me, all mine

Somebody stop me, I'm losing control again

I've got honor to earn

But I guess I lost my turn

When will I learn, to treat you with concern

Finally mine, your finally all mine

Finally mine, your finally all mine

Where did it get me, all mine

Look what it taught me, all mine

Somebody stop me, I'm losing control

Where did it get me, all mine

Look what it taught me, all mine

Somebody stop me, I'm losing control

All mine

Where did it get me, all mine

Look what it taught me, all mine

Somebody stop me, I'm losing control
