How could you be everything  
We were cracking you to be  
We're cracking ourselves up too  
We're cracking ourselves up to be you  
Had you in my hand  
Now where'd you go Aurora  
See you up ahead, but I don't know if I can go  
As far as you go everything keeps happening  
And it's happening to me  
I'm losing sight of its meaning  
You blew away the meaning  
I had you in my hand Aurora  
Now where'd you go  
I see you up ahead, but I don't know if I can go  
As far as you go  
And everyone keeps telling me that this is good  
I needed you to tell me it was good too  
Had you in my hand, Aurora  
Now where'd you go  
I see you up ahead, but I don't know if I can go  
As far as you go
