Take me away, I know I could use a rest

I wanna clear up this mess

I need a few days with my good sense

I need a few good days

Benjamin, no, oh

Benjamin, no, oh

Benjamin, no, where did you go

No, no

When you were falling from my tree

I was not scared

I thought you'd meet me back up there

It never dawned on me you were home free

It never dawned on me, no

Benjamin, no, oh

Benjamin, no, oh

Benjamin, no, where did you go

No, no, no

Benjamin, no, oh

Benjamin, no, oh

Benjamin, no, where did you go

No, no

You said that I could tie you down, no (x4)

Take me away, I know I could use the rest
